

HASHTAG LATINID#D

This panel will engage the potential and problematics of social media from a Latin@ perspective. Bringing together a scholar, an influencer, and a writer/performer, the panel seeks to move beyond simply celebratory or cautionary approaches in an effort to capture the complexity of Latin@ social media. We also hope to explore the hashtag as a tool for research, activism, and community and creative work. #HashLat.

OCT 26

7-9PM

**King Juan
Carlos Center**
